

# MR PHILIP OKPOSO

---

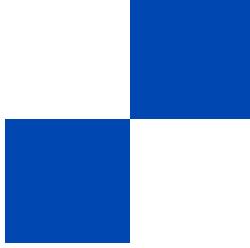

**Data Analytics Trainer  
& LMS Administrator**

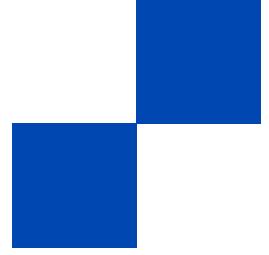

**Philip Okposo, also known as  
Naijadataman, is a seasoned Data  
Analytics Trainer and Learning  
Management Systems (LMS) Administrator  
with over a decade of experience in  
transforming complex data into practical  
insights for professionals across sectors.**

- 
- 
- 
-

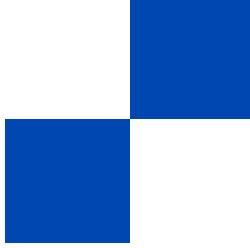

**He delivers hands-on training in tools like Excel, Python, and SQL, empowering learners at all levels to analyze and interpret data confidently. His sessions blend data storytelling and visualization using Power BI, Tableau, and other platforms to support smarter decision-making.**

- 
- 
- 
- 
-

**Philip is known for his adaptability in training, tailoring his approach to meet the needs of both beginners and advanced professionals. As an LMS expert, he has successfully deployed scalable e-learning systems for educational institutions and STEM-focused organizations, driving engagement and long-term learning success.**

**We are glad to have him here with us at our  
NSDABIE 1st International Annual Conference,  
sharing valuable insights on data analytics  
education and applied learning systems.**
